

How to find us...

By Car..

Follow the M4 to junction 34. Leave the motorway and at the large roundabout take the turn off signed Llantrisant (A4119).

The dual carriageway takes you to a set of traffic lights. The Castell Mynach pub is on the right. Proceed through these lights, move across to the right hand lane, prior to the 2nd set of traffic lights.

Go straight through these lights in the right hand lane (Corner park garage on your left—Texaco petrol). A couple of hundred yards past these lights is a right hand filter lane sign posted Mwyndy Cross Industries. Turn right.

Proceed down the lane. The offices are just after the Barn pub on the right hand side.
