

30th January 2019

PRESS RELEASE

Lewis Civil Engineering based in Pontyclun, Rhondda Cynon Taff was delighted to present '2 Wish Upon A Star' also based in Pontyclun a donation of £750 from monies raised by staff leading up to Christmas.

David Boden, Managing Director for Lewis Civil Engineering said "We are very fortunate to receive Christmas donations from our supply chain. In line with our Corporate Social Responsibility Policy we wanted to use these items for the good of others in need and decided to hold a tombola style raffle for our staff. Staff were very enthusiastic to purchase tickets knowing that their contribution would be going to such a good cause".

2 Wish Upon A Star provides bereavement support for families who have suddenly and traumatically lost a child or young adult aged 25 years and under. They aim to:

- Ensure every Emergency Department in Wales has a suitable bereavement suite for bereaved families
- Ensure that bereavement boxes are available for families at each of these hospital
- Ensure that immediate bereavement support is available for suddenly bereaved families
- Provide a professional counselling service for suddenly bereaved families
- Provide support to individuals who witness the sudden and traumatic death of a child or young adult
- Provide staff support and training.

Further information regarding the charity can be found at www.2wishuponastar.org
