

Lewis Parent Announces Record Interim Results

19th May 2015

The Lewis parent company Renew Holdings today announced record interim results for the six months ended 31 March 2015. The results show growth in both operating profit and revenue. Operating profit, prior to amortisation, was £9.8m up 21% on the same period last year. Revenue was £252.1m with operating margin maintained at 3.9%. The Board is increasing the interim dividend to its shareholders by 50% to 2.25p per share.

Engineering Services revenue was £209.8m, a 24% increase on the first half of last year and representing 83% of Group revenue. Operating profit prior to amortisation was £9.7m with operating margin maintained at 4.6%.

At 31 March 2015, the Group's order book was up 28% on the comparative period at £471m with £382m of this in Engineering Services. The Group's expected revenue for the second half of the financial year is fully secured.
