In support of  
**WaterAid**

## November 2015

Lewis Civil Engineering was proud to be the main event sponsor for a great Gatsby themed Race Night in support of WaterAid, a bi annual event hosted by Wessex, Bristol and Bournemouth Water.

The event was held on the 13<sup>th</sup> November 2015 at the Marriott Hotel in Bristol and over £82,000 was raised on the night. This will enable 5,500 people living in extreme poverty to gain access to clean water and safe sanitation.

Since the first Race Night in 2001, over £500,000 has been raised for WaterAid who are working towards a global challenge to ensure everyone has access to clean water and basic sanitation.

Andy Pymer, Wessex WaterAid Regional Chair said "Thank you very much for supporting our 2015 Race Night. In particular, thank you for your generous sponsorship; without support from companies such as yourselves the event could not be the success it has grown to be"
