Lewis Civil Engineering Ltd handed RoSPA Gold Award for health and safety practices

Lewis Civil Engineering Ltd, based in PONTYCLUN, has been handed a prestigious award in recognition of its practices and achievements in helping its staff/customers/clients/contractors get home safely at the end of the working day.

Lewis Civil Engineering Ltd has achieved a Gold in the internationally-renowned RoSPA Health and Safety Awards, the longest-running industry awards scheme in the UK.

They will be presented with the award during a ceremony at Hilton Birmingham Metropole hotel on Thursday, July 5, 2018.

The RoSPA Awards scheme, which receives entries from organisations around the world, recognises achievement in health and safety management systems, including practices such as leadership and workforce involvement.

David Boden, Managing Director of Lewis Civil Engineering, said: “We are absolutely delighted to have been recognised for the fourth year running for all our efforts relating to Health & Safety and the many initiatives our SHEQ staff have implemented, supported and delivered by our committed Site Management teams.”

Julia Small, RoSPA’s head of qualifications, awards and events, said: “The RoSPA Awards are the most highly-respected in the health and safety arena, with almost 2,000 entrants every year, and allow organisations to prove excellence in the workplace, demonstrating a commitment to the wellbeing of not only employees but all those who interact with it.”

The majority of awards are non-competitive and mark achievement at merit, bronze, silver and gold levels. Gold medals, president’s awards, orders of distinction and the Patron’s Award are presented to organisations sustaining the high standards of the gold level over consecutive years.

Competitive awards go to the best entries in 24 industry sectors including construction, healthcare, transport and logistics, engineering, manufacturing and education.

There are specialist awards for health at work, environmental management and fleet safety, and excellence trophies for the best international, new entry, workforce involvement and organisation operating or based in Scotland. RoSPA’s top accolade is the Sir George Earle Trophy.

Headline sponsor of the RoSPA Awards 2018 is NEBOSH – the National Examination Board in Occupational Safety and Health – for the 13th consecutive year.
