

# Lewis Civil Engineering Ltd is a winner in the RoSPA Awards 2015

**April 2015**

Lewis Civil Engineering Ltd of Cardiff, is among the winners in the RoSPA Occupational Health and Safety Awards 2015.

The Gold award in the prestigious annual scheme run by the Royal Society for the Prevention of Accidents (RoSPA) will be presented during a ceremony at the Hilton Birmingham Metropole Hotel, at the National Exhibition Centre, on July 15, 2015.

As the UK's family safety charity, RoSPA's mission to save lives and reduce injuries covers all ages and stages of life. In support of this mission, the RoSPA Awards, which date back 59 years, recognise commitment to continuous improvement in accident and ill health prevention at work. Through the scheme, which is open to businesses and organisations of all types and sizes from across the UK and overseas, judges consider entrants' occupational health and safety management systems, including practices such as leadership and workforce involvement.

David Rawlins, RoSPA's awards manager, said: "The RoSPA Awards encourage improvement in occupational health and safety management. Organisations that gain recognition for their health and safety management systems, such as Lewis Civil Engineering Ltd, contribute to raising standards overall and we congratulate them."

David Boden, Managing Director for Lewis Civil Engineering said: "We are delighted to have been recognised for all our efforts relating to Health & Safety and the many initiatives our SHEQ Manager, Lyndon Williams has put into place to drive continuous improvement. We strive to reinforce all aspects of Health and Safety to our workforce and being awarded the ROSPA Gold Award has formalised the standard we've achieved".

The majority of RoSPA's awards are non-competitive, grading achievement at merit, bronze, silver and gold levels. Organisations that maintain high standards in consecutive years can win gold medals, president's awards and orders of distinction.

Competitive awards are presented in more than 20 industry sectors, and they also recognise excellence in specialist areas, such as the management of occupational road risk (MORR).

The sponsors of the RoSPA Awards 2015 are: headline sponsor - NEBOSH; The RoSPA International Sector Award - airsweb; The MORR Trophy - Allianz; The International Dilmun Environmental Award - GPIC; The Best New Entry Trophy - Safety and Health Expo; The Workforce Involvement in Safety and Health Trophy - Springfields Fuels; and, The MORR Technology Trophy - Tesco Dotcom.

This year, RoSPA Occupational Health and Safety Awards ceremonies are being held in three locations: at ExCeL London on June 16 alongside the Safety and Health Expo 2015; in Birmingham on July 14 and 15 and in Glasgow on September 17, the day after the RoSPA Scotland Occupational Health and Safety Congress.
